

BLYSS REST SHEEPSKIN MOUSE WRISTREST

\$45.00

Eliminates all pressure on the delicate wrist soft tissues when using a mouse.

| **Categories:** [General Office Accessories](#), [Mouse & Mouse Pads](#), [Wrist, Forearm, Leg Supports](#)

PRODUCT DESCRIPTION

Features

Blyss Rest provides the ultimate wrist comfort; eliminating all pressure on the delicate wrist soft tissues when using a mouse.

This larger size mouse wrist rest distributes pressure more than smaller size wrist rests and provides support under wrist plus the lower forearm. Sheepskin pad measures 24cm x 14cm.

Suitable for those with hand, wrist or forearm pain, tendonitis, arthritis, ganglions, joint inflammation.

- Height adjustable - with supplied non-slip foam padding underneath
- Gently supports wrist in neutral position
- Naturally soft, deep pile sheepskin
- Large
