SKU: FRDRAFTING | **Category:** [Footrests](#) |

PRODUCT DESCRIPTION

Features

Drafting Footrest is designed for people who sit at benches, laboratory tables or any elevated desk or workstation.

- Minimises blood circulation cut-off when resting feet on a footrest
- The Drafting Footrest can also be used in conjunction with a Drafting chair
 - Assists you mounting and dismounting a drafting type chair
- The Drafting Footrest was designed and manufactured because there was no other product similar or as flexible in the market place today
- The Drafting Footrest customises your leg position for maximum comfort therefore increasing blood flow circulation to your legs
