ERGOAPT

Groove Keyboard

The Ergoapt Groove is a compact, rechargeable, Bluetooth keyboard. The Ergoapt Groove can connect to multiple devices and support tablets or smart phones in the integrated groove.

Product code: **OPC118G**

Compact footprint with full sized keys

The compact size is space saving and reduces the need to stretch for a mouse. This increases user comfort and improves posture.

With a familiar key layout and shortcut keys, the need to reach for the mouse is reduced.

The concave, low profile keys, deliver a quiet and comfortable typing experience.

Multitask with multiple devices

Shift between up to 3 devices with the press of a button. Multitask in the office or on the go with Bluetooth connectivity.

Compose an email, shoot a text and post a tweet using a familiar keyboard layout.

A versatile travel companion

With a built-in rechargeable battery, type on a laptop, tablet and phone wherever you go. The compact size and included travel pouch make it easy to pack into a bag.
