

## GYMNIC MOVIN' SIT AIR CUSHION

**\$90.00**

Repositions the pelvis/spinal column, gentle hip/pelvic/low back movement.

| **Categories:** [General Office Accessories](#), [Pillows, Cushions & Bed](#), [Back Support & Lumbar Support](#)

## PRODUCT DESCRIPTION

### Features

When positioned on a chair seat, Movin' Sit repositions the pelvis and spinal column and allows gentle hip, pelvic and low back movement. The higher back and lower front tilts the pelvis and assist the maintenance of the correct lumbar lordosis. Also allows higher, perching type sitting.

Recommended for those who sit for long periods or those who experience back stiffness or pain which increases with prolonged sitting and is helped by gentle movement.

This product belongs to the Medical Device Class I.

Please adjust the inflation according to the wished comfort and stability level.

Size: Width 360mm x Depth 360mm, Highest point 80mm

## Specifications

**Recommended Weight:** Max. 120 kg - 270 lbs / Tested load capacity: max. 200 kg - 440 lbs
