*Choose your side: The two adjustable side chambers vary in height and width to cater to all physiques for a snug fit. The pressure-free central 'soft zone' can be lowered to ensure cheeks and ears are gently cradled, evenly, when side sleeping, and the head easily accommodated for back sleeping. Zip runs across all three chambers allowing easy access for adjustments.*

## **PRODUCT DESCRIPTION**

### **Features**

SleepEzy 3 Zone Pillow - Features three independently adjustable comfort zones for you to create the pillow to perfectly suit your physique and sleeping position. You change the height, shape and density it's that simple.

Super-soft ...yet wonderfully supportive ...and cosmetically kind. SleepEzy's patented pressure-diffusing and adjustable central 'soft-zone' chamber cradles the head and helps minimise compression to sensitive facial skin. And great also for eliminating ear crush!

SleepEzy's three comfort chambers are intentionally overfilled to allow you to delete filling to suit your comfort needs.
